Sir,

Sub: Establishment - Medical Institutions - appointment of Sri P.K.Ananthachar as compounder - Jeppu dispensary - ratification - requesting.
Ref: Letter Rc.No.10784/C1/54 dated 4-10-54 from the Hon. Director of Indigenous Medicine, Madras.

The compounder, Municipal Jeppu Ayurvedic dispensary has been on leave from 8-6-1954 and the post was vacant till 6-8-1954. In the meanwhile the peon of the dispensary also applied for leave on medical grounds for one month. practically the dispensary had neither a compounder nor a peon. From the register of applications received it was found that there was no application for the post of compounder from qualified hands. A reference was also made to the Dt. Employment Officer, S.K., to furnish a list of qualified hands for the post, but he replied that there were no suitable hands available for appointment. In the circumstances explained above, I had to appoint an unqualified hand as a compounder as an emergent measure. Accordingly I appointed one Sri P.K.Ananthachar with effect from 7-8-1954 for the post of compounder, under rule 7A, in consultation with the Medical Officer in charge of the dispensary, and addressed the Hon. Director of Indigenous Medicine to approve the appointment. The Hon. Director in his letter Rc.No.10784/C1/54 dated 31-8-54 replied that the appointment cannot be approved as per regulations, the candidate Srimathi A.K.Kuppa Bai, G.T.Madras may be appointed as compounder and also that steps may be taken to depute a suitable candidate to undergo training duly stipended by the municipality. Srimathi A.K.Kuppa Bai who was addressed whether she is prepared to accept the post replied that she is not prepared to accept the post since the vacancy is for a short period. In the circumstances I had to continue the services of Sri P.K.Ananthachar as compounder. I request therefore that the Government may be pleased to ratify the appointment of Sri P.K. Anantnachar as compounder from 8-6-54 till the permanent incumbent joins duty or till qualified hand is available whichever is earlier.
